

This project was supported by many, but became a reality because of the untiring and dedicated work of a few. In particular, deep appreciation is offered to:

The William and Flora Hewlett Foundation
William G. Galston
Vivian Berryhill
Chelsey Storin
Belle Sawhill
Sarah Brown
Andrea Kane
Jessica Sheets
Bill Albert

And of course,
The Essayists

Readers should note that the following essays are presented in alphabetical order according to the author's name. The essays do not necessarily reflect the views of The National Campaign to Prevent Teen and Unplanned Pregnancy and are meant to spark conversations about the intersection between personal responsibility and the decisions young people make about sex.
